**HOORAY!**

**GOLF IS RETURNING FROM 2 DECEMBER – PLEASE BOOK ONLINE AS USUAL**

When play resumes, you will notice we have been a little more formal in laying out the winter course. The idea is that we standardise where the mats are placed and cut some permanent yardage markers to match the approximate placement of the remaining tee blocks. If this works well through the winter we will measure it more carefully and submit this card to Yorkshire Golf, so that next year our cards will be acceptable for handicapping right through the winter months.

In the meantime, we have self-produced winter scorecards for you to use.

**Forthcoming Competitions (book online - fees will be deducted from individual accounts)**
