Next Competition. The next competition is the **Grimston Cup** on Sunday 13th September. The course is closed to non-competitors until 1200. To allow adequate time for course preparation, the first tee-off is at 0800, not before. There are plenty of slots so please compete.

Etiquette I have been asked to remind everyone to please clear the green as soon as you have putted out; not to tally to record scores etc.

Covid 19. No change to present procedures but committee meetings will have to be limited in numbers participating unless using Zoom.

Feedback. Please let me know of any suggestions etc.
